CARROLLTON TEXAS

Not sure where to go shopping? Carrollton of course!...

Shopping locally can help the economy. How? When shopping locally, you simultaneously create jobs, fund more City services through sales tax, invest in neighborhood improvement and promote economic development.

These are the reasons why the Economic Development Department initiated the *Shop Carrollton Campaign* in 2006.

So why Shop Carrollton? Five reasons:

1. A unique shopping experience.
2. A variety of grocery shopping.
3. A restaurant for every palate.
4. Make your local dollars work for you.
5. Go green—shop locally.

So the next time you think about where to shop—Carrollton, of course!
