A. Description of our \$169.00 Piano

Seven and one-third octaves, Cabinet Grand, double veneered case, exquisitely finished, double roll fall board, full swing music desk. Beautifully carved panels of unique design, moulded ends, Queen Anne trusses, over-strung scale, ivory keys, polished ebony sharps, double repeating action, continuous nickel plated hinge on fall board, two pedals—in all a most beautiful instrument. Case is ebony finish and makes one of the finest appearing pianos on the market.

B. Buffalo Model Clock

Fancy Cabinet Clock in solid black walnut only; very fancy ornamented and carved case; height 26 7/8 inches; fitted with fine 8 day movement; made by the Waterbury Clock Company; strikes hours and halves on wire bell with calendar. Price...\$3.70.

C. The Premo "B" Camera

The Premo 'B' Camera is one of the most popular hand cameras on the market. It is strictly high grade throughout, great care having been exercised in its construction, and for a high grade camera at a moderate price it stands second to none. Price the 4x5 size Premo 'B' with single achromatic lens... \$13.60.

D., E., and F. \$50.00 Parlor Suit for \$33.00

It is difficult to imagine a more beautiful and artistic suit than the one we show in the illustration. Our artist has endeavored to draw the different pieces so that you can get an idea of the handsome design. It is one of the richest and most stylish appearing parlor suits made for the season of 1897.

G. \$4.50 Table for \$2.90

The Table which we show in this illustration is also made of the very finest selected solid oak, heautifully polished, legs turned and carved, fancy shelf with ornamental braces.

H. Banquet Lamp

This lamp is of brass with large cast open work vase...the shade is of silk, in red, orange, lemon, or Nile green, with lace flounce, and in size is well proportioned to the lamp. It will make a very pretty, as well as useful, parlor ornament, and is of much better value than one really expects to get for the price. Lamp complete, as shown...\$3.25.

Titles and descriptions taken from the *1897 Sears, Roebuck Catalogue*, Chelsea House Publishers, reprint 1993.
