

A.W. Perry Homestead Museum

presents

PICTURING THE PAST!

a Family Fun Event

We will learn about how photography started, enjoy a museum scavenger hunt, and create photo albums and cyanotype sun prints!

Have your camera or camera-phone ready as we practice techniques for improving our photography and recording today's moments that are making tomorrow's history!

Family program for ages 5 and up!
An adult must accompany children during the program.

Class #: 113100-01. Pre-registration by 10/1 is required. Cost: \$5/person.

Come celebrate
