

Adopt-A-Spot Program

Objective: Adopt-A-Spot is a quarterly voluntary program to involve citizens in maintaining and beautifying Carrollton by participating in a litter reduction program managed by the City of Carrollton.

Eligible Participants and Locations: Businesses, organizations or individuals may participate in Adopt-A-Spot. Signs must be placed in locations that have been identified as being in need of litter control as determined by the City of Carrollton. A list of creeks or areas available for adoption will be provided to interested parties.

City Agrees to:

- Identify locations to be considered, that will benefit the residents of Carrollton;
- Provide and install signage (2 signs and 2 poles) per location once the Adopt-A-Spot agreement has been submitted and approved;
- City will determine proper placement of signs consistent with City sign installation policies for similar information signs;
- Provide information about Adopt-A-Spot on the appropriate city's web page, including a list of current volunteers;
- Provide instructions and supplies to volunteers;
- Provide removal and disposal of trash on the next business day for each scheduled volunteer occurrence;

Participants Agree to:

- Conduct clean-ups in the adopted location at least quarterly (4 times per year) for a minimum of 2 years (with an option to renew);
- Select a location from the authorized adoption list provided by the City;
- Submit a completed Adopt-A-Spot Agreement Form and consent forms for each volunteer to Environmental Services prior to the quarterly clean-up;
- Notify the city prior to each clean-up being conducted;
- Provide progress reports to the city after each clean-up;
- Ensure that volunteers only work in their Adopt-A-Spot location approved by the city;

NOTE:

City may remove the sign at any time for construction, reconstruction, or maintenance in the Adopt-A-Spot area and will reinstall the signage upon completion of the work.

City may remove the signs at any time due to failure to comply with the Adopt-A-Spot Agreement.
