

NETWORK NODE STATEMENT OF COMPLIANCE

I, _____, being an authorized representative of _____, a _____ authorized to transact business in the state of Texas (“Applicant”) by my signature below do hereby state that Applicant’s submittal for a permit to install or modify a Network Node, as that term is defined by Chapter 284 of the Texas Local Government Code (“Chapter 284”) meets the standards and requirements of Chapter 284, and hereby certifies that the frequency stated in the submittal on which the proposed network node will operate will not interfere with the City of Carrollton’s traffic signal system, public safety systems, private police cell system, or other City communications infrastructure, and in the event Applicant’s facilities do not comply with this paragraph at any time, Applicant will immediately modify or remove such Network Node in order to accomplish compliance upon request by the City. The Applicant will bear all costs of such modification or removal.
