## Report from Bill Leyhe, Interim CEO of Carrollton Regional Medical Center.

Mr. Leyhe stated it has been an incredibly busy month. On May 1<sup>st</sup> the hospital was able to schedule elective surgeries. There are about five or six per day at this time. Patients trying to schedule elective surgeries must come in 48 hours prior to take a Covid test.

Mr. Leyhe stated they have been successful in recruiting several doctors. Dr. Roberts will start to schedule some Bariatric surgeries cases around the first of June. Dr. Mottl an Interventional Cardiologist will be returning. Also, Dr. Kosuri is interest in getting more involved at Carrollton Regional. The Woman's Center and Outpatient Diagnostic has had 20-30 procedures per day which is a good start but still down from prior to Covid19.

Mr. Leyhe stated he was successful in getting a PPP (Paycheck Protection Program) loan from the Federal Government based on commitment for staffing and a smaller amount from the government for other programs. The transfer of ownership is almost completed and just waiting for the last step to completion.

Last week was Hospital/Nurses Week with a lot of events throughout the week. Also, the community got involved and were sending gifts, lunches, dinners and snacks to the nurses and first responders. Mr. Leyhe stated doctors have been hurt by this situation and are trying to figure out the new normal for the hospital and their practices.

On the negative side, we were averaging 6-12 Covid patients a day with a total of 51 to date. Also, 14 patients had been on ventilators and unfortunately 6 patients have passed away.

The census in the hospital has not moved very much, with March, April and the first part of May in the mid-forties and the ER volume is around the 50-60 range, which is down pretty dramatically. This is about the range of other hospitals in the county. Many people are putting off routine care because of the Covid pandemic and they are afraid of going to the hospital.

Mr. Leyhe stated financially the net revenue is down about \$3 million dollars from the revenue reported this time last year. We were hoping to get on the Medicare Advance Program, which gives six months of Medicare payments in advance. We needed help from Baylor to get this done since the program would have been under their license. They were not comfortable working with Carrollton Regional to secure the advance and the program has now been suspended.

Mr. Leyhe stated the hospital has lost several doctors due to Baylor transferring them to their other facilities.

Mr. Leyhe stated the cost to take care of Covid patients is dramatic, especially because of the cost of the PPE for nurses and doctors, also, the safety regulations for staff. Many of the hospitals around the country are also experiencing substantial losses due to the Covid pandemic.

Mr. Leyhe stated everyone is committed to make this facility work and will make the necessary adjustments. He is in the process of talking to all of the contracted services of the hospital to discuss their contracts to minimize the cost structure, because we need all the help we can get. The losses in March, April and May have been sufficient.

Mr. Leyhe stated they were contacted by the City of Carrollton to do the Covid testing for five nursing homes. He is happy to report there was a list of nurses who volunteered to do the testing on 800 residents and employees. What a wonderful statement this makes for the quality of staff at this hospital.

## **Authority Chief Financial Officer Report**

Ms. Thomas delivers the oral report. The April 30, 2020 financial statements were distributed to the board on Friday, May 15, 2020.

## Consent Agenda Item

Take Action on Consent Agenda Items.

- a. Approve Minutes of April 21, 2020 Regular Monthly Meeting.
- b. Approve Financial Statements for April 30, 2020.

Ms. Benavides makes a motion to approve the minutes of the April 21, 2020 monthly board meeting and the financial statements for April 30, 2020. Mr. Rohloff seconds the motion. The motion passes unanimously.

Receive Oral Report from Finance Committee Chairman.

Mr. Mahalik stated the finance committee had a conference call with Mr. Clift on May 14, 2020 to review the quarterly investment information. Mr. Clift gave an account overview to the Finance Committee. Also, discussed during the Finance Committee's Zoom meeting was the draft of the MHA budget for 2020/2021.

Receive Submission of Quarterly Written Report, Prepared & Signed by Both Investment Officers of the Authority, of Investment Transactions for All Funds Covered by the Public Funds Investment Act, for the Previous Reporting Period.

The signed quarterly written report was not received prior to the board meeting. This item will be added to the agenda for the June board meeting.

## Report from Mr. Rohloff, Community Service Chairman

Mr. Rohloff thanked everyone on the Community Service Committee for their help during this unusual time because of the Coronavirus. The Community Service Committee received three funding requests including one asking to reallocate existing funds.

Mr. Rohloff stated the Children's Advocacy Center for Denton County (SANE) is requesting reallocation of \$17,000 from existing funds in the 2019/2020 budget to purchase a colposcope for use by the SANE program at Carrollton Regional Medical Center ER. The program at the THR's facility in Flower Mound has been closed. The Carrollton location has seen a substantial increase in volume. The colposcope at this location is overworked and may need to be replaced. The CSC did approve the reallocation of their funds to purchase the colposcope.

Mr. Rohloff stated Concilio has stepped beyond their structured program for which MHA has provided funds this year and awarded for next year. The Concilio has reached out to their client families, which is over 200, to help them with adapting to home schooling, understanding the Covid 19 care directions, grocery and other resources. The Concilio has been working with Metrocrest Services helping with delivery of goods to families, and to access grant funds through a national partner called Stand Together.

Finally, Concilio is working on an arrangement to assist the Woven Clinic connecting patients, which are heavily Spanish speaking, with physicians at the clinic via telemedicine. Concilio is expanding staffing hours and responsibilities beyond normal budgetary planning and are requesting \$35,000 in financial support from MHA.

Mr. Rohloff stated the third funding request is from Children's Health. With schools closed and their reopening time and format in the Fall is uncertain, Children's has been adjusting to changes their telehealth and behavioral health programs. They are finishing this school year with current MHA grant funding, but have been working on a pilot program to extend and expand services throughout the summer. The pilot program will start June 1<sup>st</sup>, and run through August 11<sup>th</sup>. In addition, as part of the pilot program, Children's Health is considering extending service to adults who are connected with the students being served. If the pilot program is set-up to care for kids only the funding request is for \$7,400, but if the program is expanded to kids and adults, then the request to MHA is for \$17,300 in funds. These changes will be reviewed and reassessed after August 11<sup>th</sup> because the recent 2020/2021 Children's Health funding is for the pre-established telehealth and behavioral medicine programs.

Mr. Rohloff stated some of the funding would likely come from the MHA's community support budgeted funds. There is about \$35,000 at The Dallas Foundation, which was part of the funding returned from the closed BaylorScott & White Community Care Clinic. Last month the board approved additional funding dollars in the budget for community support.

The Community Service Committee will continue to review and approve emergency funding from the Community Support Program and keep the board fully informed of any additions funding request.

Mr. Rohloff updated the board regarding Metrocrest Services. Their recent funding from the community has improved substantially. The North Texas Food Bank has been able to increase their level of food which will actually bring the cost for food down for Metrocrest Services. The four cities; Carrollton, Farmers Branch, Addison and Coppell have all made sufficient financial contributions to Metrocrest Services.

Ms. Benavides stated they have recently seen about 350 families. The Benavides Foundation is discontinuing their soup kitchen on Friday, May 22<sup>nd</sup>. There has been wonderful community support and since March 16<sup>th</sup> they have served more than 15,000 meals. The schools and Metrocrest Services will now begin their summer lunch programs to help the children of our communities.

Ms. Retana serves on the Farmers Branch City Council and is active in County matters. Ms. Retana stated county officials are releasing details of their plans for the Covid relief funds in assisting three programs consisting of small businesses, mortgage assistance and childcare assistance. Basically, it is "Cares Act" funding that has come down from the Federal government. The City of Dallas received Federal funds and have created a similar program for Dallas residents only. Ms. Retana stated Denton County has also received their own funds from the Cares Act.

Ms. Retana stated the great thing about these funds is that only cities that will be eligible to receive assistance are those outside of the City of Dallas but within Dallas County. These grants can be awarded to non-profits & small businesses, and will include individuals applying for mortgage assistance and help with childcare cost. Also, from the Cares Act small cities will receive funds through Denton County's portion of funding. The cities will decide where they want to allocate their funds, but it must be Covid related, such as, food, PPE and childcare assistance. The City of Farmers Branch City Council will meet tonight to start reviewing what the city will do with their portion of the Cares Act funding. Ms. Retana feels this maybe an opportunity for non-profit organizations to access additional funding.

Report from James Roth, The Margulis Communication Group, Regarding the New MHA Website.

Mr. Roth stated he has been working on a new MHA website. Mr. Roth has been able to use most of the preexisting information on the new website. He would like the board to review the website link prior to it going up next month. So far feedback has been positive with only minor changes.

Receive Account Review & Quarterly Report from Kevin Clift Matt Sheldahl of RBC Wealth Management.

Mr. Clift gave an oral account review for 1<sup>st</sup> quarter 2020 ending March 31, 2020. This report will include the money received from Baylor. This pandemic has had a huge impact on the financial markets. The good news for the Authority, is that your portfolio does not have a lot of stocks which has taken a big hit. Most of the of the investments are in long and short bonds. The portfolio has had a really good yield, a little better than 3%.

Mr. Clift has reviewed the overall funds and will make some recommendations going forward. Mr. Clift feels based on what has happened in the bond market there is a much higher yield on a five (5) year bond than a one (1) year bond. His recommendation is to take the money out of the short duration bonds, which are two years or less, and move to core bonds. Mr. Clift also recommends adding another fund to the portfolio, the First Trust TCW Opportunistic Fixed an asset class Intermediate Fixed Income fund. He feels going forward you should see much better returns now that the bond market has settled down.

Mr. Sheldahl stated another recommendation was to replace Cohen & Steers low duration preferred with Cohen & Steers intermediate preferred. He also recommends increasing your position in US large Cap weightings, and lowering international, small and mid-cap weightings. The thinking is that as the market recovers the larger companies will come back the fastest.

## Designation of Purely Consulting Expert.

The Chair designates David Margulies and James Roth, The Margulies Communication Group, as a Purely Consulting Expert within the meaning of the 1st sentence of Rule 192.3(e) and the 1st Comment to Rule 195 of the Texas Rules of Civil Procedure.

Mr. Greenway causes the meeting to enter Executive Session at 12:53 P.M.

Declare Executive Session to deliberate the purchase, exchange, lease or value of real property under circumstances where deliberation in an open meeting would have a detrimental effect on the position of the Metrocrest Hospital Authority in negotiations with a third person, all under and pursuant to §551.072 of the Texas Government Code.

The Board also convenes in Executive Session to:

- (A) privately consult with its attorney under §551.071(1) of the Texas Government Code to seek advice from its attorney about:
  - (1) pending or contemplated litigation; or
  - (2) a settlement offer;

(B) privately consult with its attorney under §551.071(2) of the Texas Government Code on a matter in which the duty of the attorney to the Metrocrest Hospital Authority under the Texas Disciplinary Rules of Professional Conduct of the State Bar of Texas (Article X, §9 of Title 2, Subtitle G - Appendix of the Texas Government Code) clearly conflicts with the Texas Open Meetings Act (Chapter 551 of the Texas Government Code).

The Board also convenes in Executive Session to deliberate the appointment, employment, evaluation, reassignment, duties, discipline or dismissal of a public officer or employee, all under and pursuant to 551.074(a)(1) of the Texas Government Code.

Mr. Greenway causes the meeting to enter Open Session at 1:09 P.M. The board takes no action on any matters discussed in Executive Session.

Authority Chief Financial Officer Delivers Report on Draft of Budget for Fiscal Year Ending June 30, 2021, for Discussion Purposes Only.

Ms. Thomas presented a draft of the budget for year ending June 30, 2021. The net loss for 2021 is \$1.7 million compared to budgeted net income for 2020 of \$2.8 million. The big difference is that rent from the hospital will be \$5.6 million lower than last year's budget due to the new hospital lease agreement with SANA. The rent for the MOB's is about \$355,000 less than the prior year which includes the recent terminations. The budget includes \$2 million for grant funding and \$0.5 million for community programs support. Reflecting transactions after the settlement of the Baylor lease termination in 2020, the investment return is budgeted to be \$0.8 million greater than in 2020 and interest expense will be zero.

Ms. Thomas presented a detailed report of expenses, capital expenditures, tenant improvements, and other assumptions used to prepare the budget. Once the board has an opportunity to review the budget and any updates, it will be approved at the June board meeting.

Mr. Hayden would like to possibly include in the budget, if necessary, funds for a strategic planning meeting or retreat to discuss the future of MHA going forward.

Mr. Hayden expressed his concerns regarding the appearance of the Brookhaven Nursing and Rehabilitation Center, a MHA ground leased property. He is specifically concerned with the portion of the property visible from Cheyenne Drive. He would like staff's feedback on who is responsible for the area and if MHA should budget for additional landscaping and maintenance in this area to match surrounding property standards.

Mr. Greenway addressed Mr. Hayden's suggestion about a strategic planning session whether it be a retreat or zoom meeting like today. The delay has been because of the Covid pandemic and Mr. Greenway will certainly like to get a meeting on everyone's schedule soon.

## <u>Adjourn</u>

Mr. Greenway declares the meeting adjourned at 1:32 P.M.

## **Certificate of Officer**

I, the undersigned Secretary of the Board of Directors of the Metrocrest Hospital Authority, do hereby certify that the above & foregoing Minutes accurately reflect the proceedings had at the posted & held meeting on the 19<sup>th</sup> day May, 2020 and were approved as such by unanimous vote of the Board of Directors of the Metrocrest Hospital Authority at its duly posted & held meeting this 16<sup>th</sup> day of June, 2020.

NOTES - FINANCIAL STATEMENTS For the month of May 31, 2020

| Income Statement  | <u>Actual</u>                                    | Budget                | Variance  | Explanation   |
|---|--|-----------------------|-----------|---|
| A) Rent - MHA   | 79,939   | 550,000               | (470,061) | The new lease requires no payment for the first three months and escalating payments in subsequent years. Income must be recorded on a straight-line basis over the term of the lease, which is \$79,939. A deferred lease revenue receivable is recorded on the balance sheet.   |
| B) Rent - MOBs  | 210,890  | 220,465               | (9,575)   | There were no changes in occupancy in May. Prior month variances include: Family Medicine renewed their lease for a \$1,435 increase in monthly rent. Dr. Haq moved out of the Plaza 2 timeshare, reducing rent by \$592 per month. Dr. Sanders requested reduced rent since he only utilizes this satellite office 2 days per week, reducing rent by \$1,060 per month. The Baylor Pharmacy lease terminated effective 12/31/19, reducing rent by \$1,974 per month. Beginning 1/1/20, Interventional Pain management signed a 1-year extension of their lease at the new rate of \$24.50 per square foot, increasing rent by \$255 per month. Dr. Bryan moved off campus, decreasing Plaza 1 rent by \$5,316. Dr. Siri retired, decreasing Plaza 3 rent by \$3,242. LabCorp signed a 1-year extension of their lease at the new rate of \$24.50 per square foot, or \$267 more per month. Dr. Dike returned to campus in the Plaza 1 timeshare for 2 time slots per week, or \$700 per month. Urology of North Texas moved out of the Plaza 3 timeshare. They had been paying \$750 per month for 1 day per week. Lonestar Neurology took the day but are paying \$700 per month, which is the rate they have been paying for the other days they occupy the space. Lonestar is now using all of the timeshare slots except |
| C) Repair & maintenance - MOBs  | 33,215   | 21,233                | (11,982)  | The window cleaning service that MHA has used for many years closed its business. The new company charges a much higher rate, exceeding our budget for the three Plazas by \$4,200. Repairs to the atrium roof exceeded budget by \$2,700. An HVAC unit had a leak which cost \$2,775 to repair of which over half was the cost of refrigerant. A 6 foot section of 3" cast iron pipe was replaced in Plaza I at a cost of \$875. Six toilet paper holders were replaced at The Pediatric Center for \$1,252.   |
| D) Professional fees - MHA  | 7,874  | 14,349                | 6,475     | Legal expense for the month was \$3,400 below budget. The budget included \$5,000 for the Wells Fargo annual bond trustee fees which is no longer required. The budget did not include \$3,500 for the monthly Margulies Communications Group fee.  |
| E) Board expenses   | 19,483   | 22,972                | 3,489     | Many community events which MHA had planned to sponsor are not taking place due to the pandemic. The budget included \$3,000 for these events.  |
| F) Real estate taxes  | (1,257)  | 82                    | 1,339     | In a prior month, my contact at the Denton County Appraisal District informed me that we owed additional tax on the Trinity North MOB. We paid the tax, but in May they refunded the tax.   |
| G) Interest and dividend income<br>Realized gain / (loss)<br>Unrealized gain / (loss) | 242,450<br>(1,821,733)<br>4,472,784<br>2,893,501 | 90,313                | 2,803,188 | The month of May total investment return was \$2,803,188 better than budget, including \$4,472,784 of unrealized gains.   |
