Building Inspection Information System

Navigating the Interactive Voice Response System

In an effort to streamline our operations and improve customer service, the City of Carrollton's Building Inspection and Fire Inspection Departments have implemented an Interactive Voice Response (IVR) system.

HOW IT WORKS

To use the IVR System, simply dial:

972-466-3370

and follow the simple instructions. It's available 24 hours a day, 7 days a week.

WHAT YOU WILL NEED

1. A touch-tone telephone
2. A site-specific phone system number (found on the permit)
3. Inspection Code (see the panels to the right for a complete list)
4. You will be prompted through the entire process. Press [*] at any time for more information on how to use the system. To return to the previous menu at any time, press the [#] key.

CHOOSE YOUR OPTION

When you call the Building and Fire Inspections Information System, you will hear the main menu choices:

- Press [1] Schedule an inspection
- Press [2] Cancel/reschedule an inspection
- Press [3] Obtain inspection results
- Press [4] Directions to the office and office hours
- Press [0] Transfer to staff
- Press [*] Additional information
