

# HOW DO I SIGN UP FOR the COVID-19 VACCINE?

Registering for COVID-19 vaccinations  
through County health departments

## When can I sign up?

All North Texas residents can sign up for waitlists now if they are in categories that are eligible. This includes school and licensed child care personnel.

## Ways to sign up

- Online for each County health department via Dallas, Denton, and Tarrant County websites.
- By calling the Vaccine Registration Hotlines and confirming eligibility for each county waitlist:

**Dallas County Health  
and Human Services**  
469-749-9900

**Denton County  
Public Health**  
940-349-2585

**Collin County  
Public Health**

**Tarrant County  
Public Health**  
817-248-6299

## Where do I go?

Dallas, Denton, and Tarrant County Health Departments are currently operating public mass vaccination sites.

- Visit the Texas Department of State Health Services database of all vaccine providers – including private entities – to locate the most convenient.
- Call 211 and press option 6 for assistance locating the closest vaccine provider.
- Private providers have increasing access to the vaccine.
