Open Tuesday through Thursday and Saturday • Tours between 11am-1pm or by appointment

Located within beautiful Pearl Perry Gravley Park, the A.W. Perry Homestead Museum offers a glimpse of life as it was in North Central Texas at the turn of the 20th century. A.W. and Sarah Perry were pioneer homesteaders of the Peters Colony who arrived here in 1844 from Carrollton, Illinois. They built a house on the site in 1857. In 1909, their son Dewitt Perry and his wife Francis tore down the first house and used some of the lumber to build the present-day home. This structure is now the Museum, restored in 1976 as the community's U.S. Bicentennial celebration project and designated as a State Historic Landmark in 1977 by the Texas Historical Commission.

PERRY SPECIAL EXHIBITS

The A.W. Perry Homestead Museum is proud to begin offering special exhibits. Twice a year, the Museum will display focused exhibits on various historical topics during the Victorian period. The new body of work will bridge historical research with artifact interpretation, so a visit to the Museum will teach visitors so much more about the past. For parents and teachers, an educational packet will be available for kids and students. Check the Museum's social media for updates and details at facebook.com/PerryHomesteadMuseum.

SCHOOL AND GROUP TOURS

The guided tour begins at the state historical marker and continues through the 1909 farmhouse with antique furnishings, where you will discover daily life as it was in Carrollton at the turn of the 20th century. School tours are aligned with the Texas Essential Knowledge and Skills (TEKS) standards for each grade level. To schedule a school or group tour, contact the Museum two weeks before your requested tour date. Group tours are free, but donations are accepted. Call 972-466-9811 to make a reservation or register online at cityofcarrollton.com/museum.

TRAVELING TRUNKS

The A.W. Perry Homestead Museum provides trunks to local schools as a FREE service. Each trunk contains hands-on artifacts for students to examine and an activity guide for teachers. All activities are TEKS-aligned according to state-mandated curriculum guidelines.

HISTORY MYSTERY TRUNKS are designed for grades three, four, and five. Students will uncover the past using artifacts, learn the basic principles of material culture, and observe and analyze objects in the trunk in order to discover their uses.

SCHOOL DAYS TRUNKS are designed for grades one, two, and three. Students will compare and contrast how education has changed over the past 150 years, try on pioneer clothing, and even imagine what it will be like to go to school in the future.

Call the A.W. Perry Homestead Museum today at 972-466-9811 to reserve a trunk for your class.
