

For your convenience... BANK DRAFTING SERVICE for Water Utility Bills

Pay your monthly utility bills automatically from your checking or savings accounts. It saves time and money – no checks to write, no postage, and no fees for the service. Bills will always be paid on time!

You will continue to receive a monthly utility bill indicating water consumption, amount owed, and due date.

The total amount of your bill is electronically deducted from your checking account each month on the due date, which appears on your bill. Financial institutions list automatic payments on their monthly account statements.

TERMS AND CONDITIONS FOR ENROLLMENT

You are responsible for contacting your financial institution prior to signing the authorization form below:

- To ensure your institution’s participation, and
- Determine bank fees applicable for this service.

It takes approximately one billing cycle before the automatic deduction will occur. In the meantime, please continue to pay by check. Your bill will indicate that electronic bank drafting is effective with the statement: “YOUR ACCOUNT WILL BE DRAFTED FOR...”

Returned checks will be charged a fee by the City. Please call your financial institution regarding questions on fees they may charge separately. The City will remove your account from bank drafting for two ‘returned checks’ within a 12-month period (1 year). You will then be ineligible to participate in BANK DRAFTING for the next 12 months.

Claims on disputed bills must be received in the Utility Customer Service Office at City Hall at least ten (10) business days prior to the due date.

To remove your account from BANK DRAFTING, written authorization must be received in the Utility Customer Service Office, 1945 E. Jackson Road, at least 30 days prior to the effective bill date.
