The American Cancer Society Relay For Life of Carrollton, TX Committee is hosting a kick-off event to share with residents the importance of Relay For Life in the fight against Cancer. We will be handing out information regarding the event, how to form a team and volunteer information.

Relay For Life is the signature event of the American Cancer Society. It is a fun-filled, overnight event that mobilizes communities throughout the country to celebrate survivors, remember loved ones, and empower others to fight back against a disease that takes too much.

Teams of 8-15 members gather with tents and sleeping bags to participate in the largest fundraising walk in the nation. Relay For Life unites friends, families, businesses, hospitals, schools and churches...people from all walks of life.

Volunteers are needed to organize and recruit teams, seek community support and lend their support in any way.
