

# FIND FREEDOM *from* SHOULDER & ELBOW PAIN

*If shoulder or elbow pain is limiting your ability*

to work, play, or to enjoy normal activities, you owe it to yourself to learn about the latest innovations.

## Advanced Technology Focused on You

The Joint Wellness Team at Baylor develops a personalized treatment plan, dedicated to finding a compassionate, effective, long-term solution for your shoulder or elbow pain. Utilizing the latest in advanced treatment options, including noninvasive surgical alternatives, physical therapy, and minimally invasive surgical procedures, our highly trained team of medical professionals has the experience necessary to match proven treatment solutions to your individual shoulder or elbow pain problem.
